

Looking to replace your furnace?
Convert to **natural gas** and start
saving now.

LIMITED-TIME
SPECIAL OFFER

2.99%

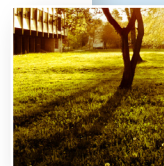

LOW INTEREST
FINANCING

smart-e loan

Now more than ever it's a smart choice to switch to natural gas. For a limited time, get 2.99% low interest financing from Smart-E Loans to convert from oil or propane and upgrade to a high efficiency boiler or furnace.

Flexible terms with 5 year, 7 year or 10 year options. 100% of the project can be financed with Smart-E, PLUS up to 25% of the loan can be used for other related home upgrades like asbestos remediation, EnergyStar® appliances and landscaping.

Converting to natural gas is **child's play** with a Smart-E Loan. Visit www.energizect.com and learn how to start saving.

FOUR REASONS
why converting
to Natural Gas is
a smart choice

- 1 Save Money
- 2 Delivery Convenience
- 3 Safe and Reliable
- 4 Clean and Efficient
