Medications Pollute Our Water

Disposing of medications in your sink or toilet do not get rid of them. Instead, it contaminates our water and harms wildlife. Expired or unneeded medications can be properly disposed of at any time at:

Norwich Police Department, located at 70 Thames Street, Norwich, Connecticut.

Accepted Items:

- Prescription medications, including controlled substances
- Over-the-counter medicines (except liquids)
- Vitamins and supplements
- Pet medicines

Not accepted:

- Needles, sharps or syringes
