### PROGRAM REQUIREMENTS

Rebates are available to residential and commercial natural gas service customers of Norwich Public Utilities. Equipment must be installed in the service territory of Norwich Public Utilities.

**Application Offer:** This rebate is good for purchases made from July 1, 2021 – December 31, 2021. Details of this program, including rebate levels, are subject to change or cancellation without prior notice. Completed and signed applications must be submitted within 60 days of the equipment installation to be eligible for rebates.

**Contractors Invoice:** The invoice copy must indicate the equipment type, size, make and model, serial number of the system and date of purchase.

**Application Form:** This application must be filled out completely, truthfully and accurately. The customer must sign, date, and submit the application along with the invoice, and manufacturer's equipment performance sheet stating the AHRI certified efficiency rating and nominal capacity. **To qualify for a Gas Efficiency Rebate, a copy of the final letter of compliance from the Building Department must be supplied with this application.**

**Payment:** Please allow 30 days for payment. Payment process will take longer if information is missing on application.

**Approval and Verification:** Pre-approval from Norwich Public Utilities will be required if the rebate total is greater than \$6,000. Norwich Public Utilities reserves the right to verify sales transactions and to have reasonable access to your facility to inspect the equipment installed under this program, prior to issuing rebates or at a later time.

**Endorsement:** Norwich Public Utilities does not endorse any particular manufacturer, product or system design in promoting this initiative.

**Tax Liability:** Norwich Public Utilities will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

**Warranties:** **NORWICH PUBLIC UTILITIES DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY.** Norwich Public Utilities makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding equipment or services provided by a manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

**Limitations of Liability:** The liability of Norwich Public Utilities is limited to paying the rebate specified. Norwich Public Utilities reserves the right to modify or suspend this rebate at any time. Norwich Public Utilities is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Initiative.

**Owner's Certification:** Owner/Contractor certifies that he/she has purchased and installed the equipment listed above at the defined location. Owner agrees that all information is true and that he/she conformed to all initiative and eligibility requirements listed. Owner has verified that the units listed above have been installed correctly. There are no unusual noises or vibrations and all controls have been calibrated. Owner or owner's representative has been instructed on how to operate and maintain this equipment and has received all the necessary operation and maintenance manuals. Owner has verified that any applicable air-system and water balancing has been performed.

*NPU reserves the right to provide your rebate in the form of a credit adjustment on your natural gas account if your past due balance exceeds \$100.*
