Eligibility Requirements and other restrictions apply. Proof of eligibility is required. This electric vehicle charging equipment rebate is available to NPU electric utility customers. Equipment must be installed within Norwich Public Utilities electric service territory. This incentive can be combined with any other available state, federal and manufacturers rebates and incentives. **Amount of rebate cannot exceed cost of charging equipment**, and does not include installation costs. Customer must be in good standing with account; we reserve the right to refuse rebate if account is overdue. NPU reserves the right to provide the rebate in the form of a credit adjustment on customer's electric account. Valid for purchase made through December 31, 2022, however NPU reserves the right to cancel this rebate program at any time. All documentation must be received by January 15, 2023.

Payment: Please allow 30 days for payment; payment process may take longer if application is incomplete or required information is not included.

Approval and Verification: Pre-approval from Norwich Public Utilities will be required if the rebate total is greater than \$10,000. Norwich Public Utilities reserves the right to verify sales transactions and have reasonable access to your home or facility to inspect the equipment installed under this program, prior to issuing rebates or at a later time.

Warranties: Norwich Public Utilities does not warrant the performance of the equipment installed, expressly or implicitly. Norwich Public Utilities makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding equipment or services provided by manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

Application Offer: Details of this program, including rebate levels, are subject to change or cancellation without prior notice. Completed and signed applications must be submitted within 60 days of the equipment installation to be eligible.

Application Form: This application must be filled out completely, truthfully and accurately. The customer must sign, date, and submit the application along with the proof of purchase. Customer agrees that all information is true and that he/she conformed to the eligibility requirements listed.

Endorsement: Norwich Public Utilities does not endorse any particular manufacturer, product or system design in promoting this initiative.

Tax Liability: Norwich Public Utilities will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

Limitations of Liability: The liability of Norwich Public Utilities is limited to paying the rebate specified. Norwich Public Utilities is not liable for any consequential or incidental damages in tort connected with or resulting from participation in this initiative.

Owner's Certification: Owner/Contractor certifies that he/she has purchased and installed the equipment listed on this form at the defined location. Owner agrees that all information is true and that he/she conformed to all initiative and eligibility requirements listed. Owner has verified that the unit(s) listed have been installed correctly and any necessary permits were obtained. Owner or owner's representation has been instructed on how to operate and maintain this equipment and has received all the necessary operation and maintenance manuals.
