Connecticut's Municipal Utilities: Your Key Energy Partner

Norwich Public Utilities customers are eligible for a rebate of up to \$1.00 per square foot for **wall insulation** and \$1.50 per square foot for **attic insulation**. Insulation must be installed by a licensed insulation contractor. Maximum lifetime rebate allowance of \$8,000.00.

Not valid for homeowner-installed insulation or new development (retrofit application only).

REBATE REQUIREMENTS

Application Offer: This initiative covers products purchased and installed on or after January 1, 2024 through June 30, 2024. Details of this Initiative, including rebate levels, are subject to change or cancellation without prior notice. This application form with required documentation must be received by July 15, 2024.

Eligibility: Rebates are available to Norwich Public Utilities customers. Materials must be installed in the service territory of Norwich Public Utilities.

Proof of Purchase: An itemized invoice must accompany each rebate application form. The invoice copy must indicate the type of insulation, amount, areas insulated, pre and post R-values, ventilation installed, and date of installation. Wall insulation installation must specify construction type.

Application Form: This application must be filled out completely, truthfully and accurately. Customer must sign, date, and submit the application along with the invoice.

Payment: Please allow 30 days for payment. Payment process will take longer if information is missing on application. **NPU reserves the right to provide rebate in the form of a credit adjustment on your electric account.**

Approval and Verification: Pre-approval from Norwich Public Utilities will be required if the Rebate total is greater than \$5,000. Norwich Public Utilities may require a post-installation inspection.

Endorsement: Norwich Public Utilities does not endorse any particular manufacturer, product or system design in promoting this Initiative.

Tax Liability: Norwich Public Utilities will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of Rebates.

Warranties: NORWICH PUBLIC UTILITIES DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITY. Norwich Public Utilities makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding the materials or services provided by a manufacturer or vendor. Contact your contractor for details regarding performance and warranties.

Limitations of Liability: The liability of Norwich Public Utilities is limited to paying the Rebate specified. Norwich Public Utilities is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this Initiative.

Assignment: The customer may assign the Rebate payment to a qualified contractor.

Specific Requirements: These include, but are not limited to: payment options, Rebate restrictions for facilities using self-generation for non-emergency purposes.

Owner's Certification: Owner certifies that he/she has purchased and had installed by a licensed contractor the material listed on reverse side at the defined installation location. Owner agrees that all information is true and that he/she conformed to all requirements listed. Owner has verified that the materials listed on reverse side have been installed correctly.

ISO-NE Capacity Payments: By signing this document, and as a condition for receiving a Rebate pursuant to this program, customer hereby assigns to Norwich Public Utilities all of its rights, title and interest in and to any and all LICAP, ICAP, and any and all other capacity-related credits or payments for which customer may be eligible from ISO-NE or such value associated with the settlement of such LICAP, ICAP, or capacity payments as determined through the ISO-NE LICAP, ICAP, or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE.

NPU reserves the right to provide the rebate in the form of a credit adjustment on your gas or electric account if your past due balance exceeds \$100.
