Eligibility Requirements and other restrictions apply. Proof of eligibility is required. This electric vehicle rebate is available to NPU electric utility customers who reside within the service territory of Norwich Public Utilities. This incentive can be combined with other available state, federal and manufacturers rebates and incentives. Customer must be in good standing with account; we reserve the right to refuse rebate if account is overdue. NPU reserves the right to provide the rebate in the form of a credit adjustment on customer's electric account. Valid for purchase or lease agreement made July 1, 2023 through December 31, 2023. All rebate requests must be received by January 15, 2024. NPU reserves the right to cancel this rebate program at any time.

Payment: Please allow 30 days for payment; payment process may take longer if application is incomplete or required information is not included. New or used vehicle must be purchased from a licensed dealer.

Approval and Verification: Pre-approval from Norwich Public Utilities will be required if the rebate total is greater than \$10,000

Warranties: Norwich Public Utilities does not warrant the performance of the vehicle purchased, expressly or implicitly. Norwich Public Utilities makes no warranties or representation of any kind, whether statutory, expressed or implied, including, without limitations, warranties of vehicles or fitness for particular purpose regarding the vehicle or services provided by the dealer.

Application Offer: Details of this program, including rebate levels, are subject to change or cancellation without prior notice. Completed and signed applications must be submitted within 60 days of the vehicle purchase to be eligible.

Application Form: This application must be filled out completely, truthfully and accurately. The customer must sign, date, and submit the application along with the proof of purchase and registration. Customer agrees that all information is true and that he/she conformed to the eligibility requirements listed.

Endorsement: Norwich Public Utilities does not endorse any particular manufacturer or vehicle model in promoting this initiative.

Tax Liability: Norwich Public Utilities will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

Limitations of Liability: The liability of Norwich Public Utilities is limited to paying the rebate specified. Norwich Public Utilities is not liable for any consequential or incidental damages in tort connected with or resulting from participation in this initiative.

Owner's Certification: Owner/Contractor certifies that he/she has purchased the vehicle listed on this form at the listed dealership. Owner agrees that all information is true and that he/she conformed to all initiative and eligibility requirements listed.
